Finding and cultivating the right mentoring relationships can help you make a hole-in-one with your career!

- ✓ **Ask questions and get perspective on how mentor relationships add value to your leadership development, including the benefits to your organization.**
- ✓ **The mentors' panel will convene and discuss how mentoring has impacted their lives and careers. See what advice these mentors have on cultivating that relationship.**
- ✓ **Bring cash to enter the 50/50 Raffle to support the PAR Initiative.**

- CONNECT** - learn from the best and the brightest!
- KNOW YOURSELF** - utilize your strengths!
- COMMUNICATE** - develop industry connections!
- BE A CATALYST** - affect change in yourself!
- BE FEARLESS** - go for the brass ring!
